STEPHEN F. AUSTIN STATE COLLEGE

Since the Stone Fort was placed on the Stephen F. Austin campus, it has served as an educational and historical landmark. Through it we present to you the four phases of student life—Instructional, Recreational, Physical, and Organizational. The purpose of this book is to help you relive your college year beginning in March, 1957, and ending in March, 1958. However, this book's main purpose is to aid you in recapturing the memories of your years in college even after you leave SFA.

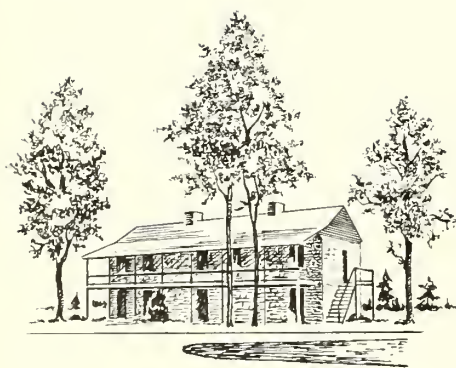

MR. W. F. GARNER

## DEDICATION

With the close of the 1957 summer session at S. F. Austin State College, Professor William Fletcher Garner, a political scientist in theory and practice for half a century, officially ended a distinguished career of public service. Head of the history and government department since the founding of the College 34 years earlier and associated with education for a total of 50 years, Mr. Garner retired from active teaching and administrative work to devote more time to his favorite hobby—"the fine art of fishing." At retirement, he could look back with genuine satisfaction on a career that blended the practice of politics with the teaching of political science. A one-time candidate for a major state office and a long-time political party official, Mr. Garner numbered among his friends many of the great names of the political world. But by his own belief it was his work with public education that had brought Mr. Garner his greatest rewards. "My only regret," he said, "is that I do not have another 50 years to devote to education." To Mr. Garner, for his distinguished service to the college in particular and to public education in general, the 1958 **Stone Fort** is respectfully dedicated.

# INSTRUCTIONAL

Midnight oil burns long into the early hours of the morning as students pour their time and effort into the academic side of college life. Exams and assignments mean extra work for professors too, but all agree that learning comes first in the life of a student.

President and Mrs. Boynton

Congratulations on a job well done. In order to bring to a successful conclusion the program of work necessary to obtain a degree from a recognized college, the individual needs intelligence, perseverance, ambition, understanding, and diligence. You who this year are receiving degrees from Stephen F. Austin State College have manifested these characteristics, hence are deserving of much praise and best wishes. These we now extend.

As you leave the College, however, we want to express the hope that in addition to these characteristics of a scholar your sojourn at S.F.A. has caused you to deepen your respect for your fellow man, has vitalized your appreciation of beauty, has expanded your concept of personal responsibility as a member of society, and has undergirded and strengthened your faith in the Divine to the end that you will live not only thoughtful, productive lives but also wholesome, cultured, happy, purposeful ones.

Of each may it be said, "His cup runneth over."

Paul L. Boynton, President  
Stephen F. Austin State College

# 1957 LUMBERJACK FOOTBALL HIGHLIGHTS

Under the direction of Coach Harold Fischer and his assistants, Billy Jack Roberson, Jim Canter, and George Allen, the 1957 Lumberjack football team compiled the college's best Lone Star Conference record since 1935, when

SFA finished as tri-champion, and the top season mark since 1954. It won five of seven conference games to finish a close runner-up to Lamar Tech and East Texas, which tied for the championship, and it captured six of ten games overall. Highlights of the season follow:

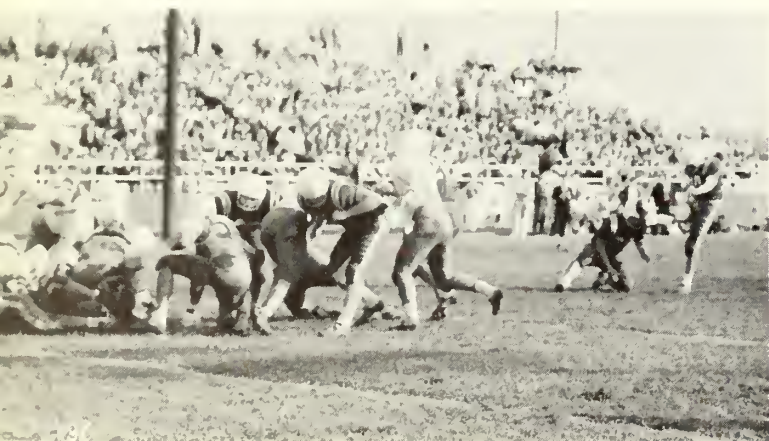

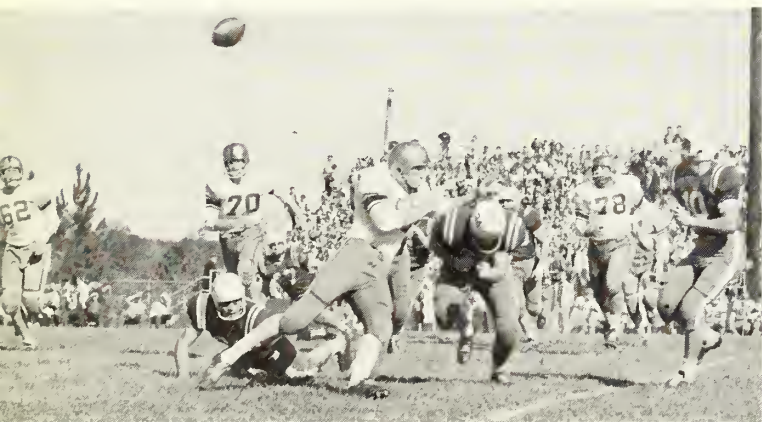

SEPTEMBER 14—Playing for the first time before television cameras at the State Fair Stadium at Shreveport, the Lumberjacks dropped their season opener, 20-7, to a Northwestern Louisiana State team destined to go on and tie for the Gulf States Conference championship. Center Jere Nichols tallied the SFA touchdown on a 20-yard return of an intercepted pass, and Quarterback Votto Gaddis kicked the extra point.

SEPTEMBER 21—Electrifying the first home crowd of the season, Gaddis kicked a 17-yard field goal in the fading moments of play to give the 'Jacks a thrilling 10-7 victory here over Northeast Louisiana State. Before Gaddis' kick, SFA had scored a touchdown on halfback Wade Turner's 12-yard run and an extra point on Fullback Edwin Roberson's kick. The victory evened the 'Jacks season record at 1-1.

SEPTEMBER 28—A Louisiana Tech team, also destined to go on to a tie for the Gulf States Conference championship, edged the Axmen, 19-13, here. Fullback Ronnie Neill thrilled the partisan fans with a 55-yard touchdown scamper for SFA, and Gaddis added another score on a one-yard plunge. Gaddis, too, kicked the lone extra point.

OCTOBER 5—The Lamar Tech Cardinals, who were to tie for the LSC title, spoiled the Lumberjacks' conference debut at Beaumont, handing SFA a 27-12 defeat. Halfback Ottis Hargett scored the first 'Jack touchdown on a 12-yard pass from Gaddis, and Roberson added the second on a one-yard plunge.

OCTOBER 12—Brownwood provided the scene for the start of a four-game winning streak that gave promise of carrying SFA to a championship. There the Lumberjacks trounced Howard Payne, 20-7, to even their LSC record at 1-1 and to increase their season's winnings to two games in five starts. Gaddis kicked field goals of 36- and 28-yards and booted an extra point to account for 7 of the Axmen's points. Roberson scored a

touchdown on a nine-yard run, and halfback James Hatton scored another on a 13-yard pass from Quarterback Jackie Hathorn. Hathorn also added an extra point from placement.

OCTOBER 19—Their second consecutive victory in conference play the Lumberjacks recorded, 20-13, at the expense of Southwest

Texas before an SFA homecoming crowd. Hargett scored first on a 38-yard pass from Gaddis, and his touchdown effort was followed by those by Hathorn on a one-yard plunge and by End Tracie Pearman, who blocked a punt and fell on the ball in the end zone. Gaddis kicked one extra point, while Neill added the other. The win was SFA's first since 1951 over Southwest Texas.

OCTOBER 26—Playing here before a crowd chilled by freezing winds, the Lumberjacks rolled to their third win in four LSC games and their fourth in seven all season by trouncing a supposedly strong Texas A & I eleven, 32-0. Touchdowns were contributed by end Tommy Humphrey on a 19-yard pass from Gaddis, Roberson on a six-yard scamper, Gaddis on a six-yard run, Hatton on a one-yard plunge, and Quarterback Bernie Hagins on a four-yard carry. Gaddis kicked two extra points.

NOVEMBER 2—The Lumberjacks drove to their fourth straight victory by defeating Sul Ross, 19-0, at Alpine. Hatton tallied first on a 43-yard pass from Hathorn, and his touchdown was followed by those by Roberson on a one-yard plunge and by Turner on a 15-yard run. Gaddis kicked an extra point.

NOVEMBER 9—East Texas State, which went on to tie Lamar Tech for the LSC championship, broke the Lumberjacks' four-game winning streak by handing SFA a 19-12 defeat at Commerce. Neill scored for the Axmen on a one-yard plunge and Roberson duplicated the feat. The loss left SFA with a 4-2 conference mark and a 5-4 season record.

November 16—Breaking a five-year victory drought to the conference's defending champion, the 'Jacks thrashed Sam Houston, 28-14, in their season finale here. All SFA scoring was packed into the first half. It included a one-yard plunge by Roberson, a 12-yard pass play from Gaddis to Pearman, a 42-yard pass play from Hathorn to Hatton, and another one-yard drive by Roberson. Gaddis kicked three extra points and Hathorn a fourth. The win was SFA's first since 1951 over Sam Houston.

Everyone will remember this game between the Bearkats and the Lumberjacks.

## 1958 LUMBERJACK BASKETBALL

First row: Cheshire, Mahone, Lowery, G., Jones, Davis, Gonzales, Moore, J. Second row: Morgan, Moore, B., Atkins, Cooper, Lowery, E., Allen. Third row: Coach Stephens, Worsham, Harraid, Drew, Tinsley.

The 1957-58 Lumberjack basketball team perpetuated the College's domination over other teams in the Lone Star Conference. In 27 LSC campaigns, the 'Jacks, who this season won 10 of 14 conference games, have built up an advantage over every league foe but East Texas, which holds only a slight 32-30 edge. They boast a 16-5 advantage over Howard Payne; 13-3 over Lamar Tech; 41-38 over Sam Houston; 35-24 over Southwest Texas; 16-2 over Sul Ross; and 25-2 over Texas A & I. As a team SFA led the Lone Star Conference in two statistical categories. Third-ranked nationally in defense, the Lumberjacks boasted the best defensive average in the conference, holding opponents to an average of only 50.1 points a game. And they hit 45.3 per cent of their field goal attempts to pace the circuit in this department.

# LUMBERJACK COACH

Lumberjack coach, John O. Stephens, is a graduate of Austin College, of Sherman, where he took his bachelor's and master's degrees. The 1957-58 basketball team finished third in the Lone Star Conference under the capable coaching of Coach Stephens.

Coach John O. Stephens

The 1957-58 Lumberjack basketball team, which finished third in the Lone Star Conference pennant race, maintained the distinguished cage record for which SFA has been famed since its founding in 1923. Coach John O. Stephens' charges won 19 of 26 games and compiled the nation's third-best defensive record, holding their opponents to an average of only 50.1 points a game. They thus added lustre to Coach Stephens' record, one of the best in the Southwest, as well as to that of the College. In six seasons at SFA, Stephens has guided basketball teams to 111 victories in 154 contests, one conference championship, and one second-place finish. Overall, his college coaching record stands at 173 victories in 265 games. In 34 seasons, SFA basketball teams have won 465 of 708 games. And in 27 LSC campaigns they have won the championship nine times and finished second six times.

Eight members of the 1958 SFA basketball team received athletic letters. One of them—Bobby Moore—earned his third cage award and also won election as team captain. Four others won their second basketball letter. They were Tommy Atkins, John Cooper, Willard Tinsley, and Elwin Lowery. Winning their initial awards were John Drew, Russell Jones, and L. D. Morgan. Only two of the lettermen—Moore and Atkins—rounded out their playing careers for the Lumberjacks. Moore led the team in scoring with 428 points and in rebounds with 191. He earned a place on the All-Lone Star Conference first team. Atkins was sidelined most of the season with a leg injury, but he performed valuable service in the early stages of the campaign.

## *New Horizons to Conquer*

In the complex world of the space age it may not seem too vital that the happy times of your school years have passed. However, in days to come it will be with satisfaction that you turn these pages reflecting activities and friends of your proving ground—the campus.

Today, seniors everywhere are entering into an era where opportunities are as boundless as the outer reaches of space which man is constantly attempting to conquer. May it be that each of you as the years go by fits his career into the shining orbit of success.

We are proud to know we have had a part in recording these classroom times in producing a book which will be a lasting commentary on those precious years of your life.
